REAL

Indians In "The Flaming Arrow."

A Good Show at the Grand—Irene Myers Co. Doing Well.

Scenes of the far West and Western life with genuine Indians characterized the production at the Grand Thursday matinee and evening. The play is "The Flaming Arrow." The scenery is magnificent and has not been surpassed by any production seen at the Grand this season. The opening scene shows an Indian camp. The council fire in the second act is a pleasing part of the play. The entrance of the chiefs, the ghost dance, and the speeches of the chiefs are very realistic. The horses with the play are well trained and made a great hit with the audience. Princess Go-Won-Go-Mohawk, a full blood Indian princess, is very clever as White Eagle. She is like and nimble, and her speech is pleasing. Chief Ga-Na-Gue as Black Eagle, chief of the Arapahoes, is excellent. Guy Hackney, who represented Snow Ball, a "colored gent." by his antics furnished a considerable part of the humor of the play. The rest of the company is good. "The Flaming Arrow" will be given during the rest of the week, matinee and evening.

In the forthcoming presentation of "The Prince of Jenico" in this city a story of absorbing interest will be offered to the public in a manner fitting such an interesting subject. The play has already won its reputation by a run of several months in a leading New York theatre, and by a series of phenomenally large engagements in all the principal cities of the country. It only remains to say that the company now presenting it is said to be one of the strongest organizations traveling, and that the artistic efforts of the actors will be seconded by a complete new scenic outfit and a wealth of accessories, furniture, draperies and the thousand and one small details which go to make up a perfect production. The play is announced here for next Monday at the Colonial theatre.

The Irene Myers Stock company will hold the boards at the Colonial the remainder of the week. It is one of the strongest repertoire companies going. There will be bargain prices at tomorrow's matinee.

At the Grand, starting Monday matinee, Nov. 3, for three nights, the attraction will be "The Fatal Wedding," which has scored a hit at the Grand Opera House, New York.

"Foxy Grandpa" comes to the Colonial theatre Thursday, Nov. 6th.

Natural Anxiety.
Mothers regard approaching winter with uneasiness, children take cold so easily. No disease costs more little lives than croup. Its attack is so sudden that the sufferer is often beyond human aid before the doctor arrives. Such cases yield readily to One Minute Cough Cure. Liquidizes the mucus, allays inflammation, removes danger. Absolutely safe. Acts immediately. Cures coughs, cold, grip, bronchitis, all throat and lung trouble. F. S. McMahon, Hampton, Ga.: "A bad cold rendered me voiceless just before an oratorical contest. I intended to withdraw but took One Minute Cough Cure. It restored my voice in time to win the medal." For sale by all druggists.

ABSORBING PROBLEM

Of the Present Day.

The absorbing problem of today is, how to expend one's income so as to attain the best results; that is, get full value for one's money.

It may truthfully be said that this has been, is, and always will be an absorbing problem to those with limited means; but the fact remains that, with the price of living necessities constantly rising one must husband one's resources more carefully than ever before if he would live within his income. In saying that prices are rising, we except one article which has come to occupy a prominent place in the family medicine closet, and that is the specific for piles or hemorrhoids known as Pyramid Pile Cure; this remedy is still sold by druggists at the old prices of 50 cents, and one dollar, and these prices will remain unchanged. Those to whom this preparation has brought relief and a cure after years of suffering do not need to be told of its merits; others are advised that it is the greatest boon ever discovered, to all those afflicted with any form of piles; it is in suppository form, is easily applied, reaches the seat of the complaint, and gives immediate relief and a lasting cure.

The reader may have tried salves, ointments and lotions without benefit, and feeling that his money has been wasted, resolves to suffer on rather than experiment farther. The reason for the failure of these treatments is, that they do not reach the seat of trouble, and hence do not remove the cause, as does Pyramid Pile Cure. A little book describing piles, their cause and cure, is published by the Pyramid Drug Co., Marshall, Mich., and anyone may procure a copy by sending name and address to above firm. As showing the estimation in which this remedy is held by the public it may interest the reader to know that its sales now exceed those of all other pile remedies combined.
